RE: Weekly Publishers luncheon

The luncheon with weekly publishers is scheduled for Thursday, December 12. I've put together a suggested list of publishers, trying to keep in mind the days they publish and their geographical location. See what you think and let me know asap so we can start making calls.

Heather Freret  
Stone County Enterprise  
(Wiggins)

Jim Abbott

\* I put Wyatt down because he's been writing a good bit about tort reform and the race next year being "between two good men." The Sun might be a good vehicle for us. And, of course, Wyatt publishes dailies statewide.

\*\* The Picayune Item is a daily.
